About/ Special Skills

Emily has a happy disposition and is quick to warm-up to strangers and new places. She loves to explore and discover. She is adventurous, playful and has a great sense of humor; she enjoys 'peek-a-boo', playing on her activity table, interaction and "conversation" (baby babble).

Currently, Emily can pull herself up to standing (while holding onto something), squat and sit down without assistance, and moves freely between support objects ("furniture crawling"). Emily is crawling and babbling using double-consonants and conversational intonation.
